ARRL KANSAS SECTION EMERGENCY COORDINATOR Bob KØBXF

Dec 01, 2010
from the desk of KØBXF
to all Kansas Hams
KS ARRL ARES activity report of Oct 2010

A couple of weeks ago, I was not so sure that this report was going to be made. My health took a turn for the worse and I wound up in the hospital for another weeks stay. After multitudes of tests etc a few decisions were made for me and I started a slow recovery. My steady taste for a Taco grew and my appetite improved, starting eating again here I am today. Of course the Taco appeared shortly after returning home and I got all caught up with over 300 messages in my mailbox, things are back to normal for a while. Heart cath job will have to wait for about 12 weeks.

Hope everyone is prepared for the holiday season upon us and we stay clear of any need for Emergency communication effort until after the first of the New Year arrives. We had 16 ARES zones reporting this month with a total of 106 net sessions 770 QNI into those nets and 35 messages originated. Chapter 110 QCWA held 5 sessions with 37 QNI, listen up on Sat mornings for the net after the KWN, join in.

KS RACES held 2 net sessions and had a total of 16 counties represented for Oct. (Linn, Johnson, Leavenworth, Finney, Dickenson, Smith, Greeley, Anderson, Scott, Miami, Shawnee, McPherson, Mitchell, Phillips Marshall and Wyandotte Counties).

KS Army MARS had 435 man hrs on air with 186 messages originated.

KS SATERN net 4 sessions 68 QNI.

That wraps it up for October 2010. Stay alert for any communication need, assist whenever, wherever, try a NCS spot.

We supported a public service event early this month and are winding down for the end of the year. I am currently working on getting everyone to update their FSD-98's and document their credentialling by listing classes completed and group affiliations. It is a fairly slow process with volunteers...

Ready to settle in for a long winter's nap?

After all the drills, training, public service events, hamfests and the big Ensor Auction, JOCO ARES has had quite a year.

Now we turn our thoughts to remember all we accomplished, and at the November meeting, showing off our proudest Emcomm gadgetry.

No meeting in December means we will have time to play with our radios, work some good dx & contests, and think about our list for St. Nick. It also gives us time to look ahead to 2011, set some goals for our county and the state, and in while in front of our fireplaces or our amplifiers, dream of adventures to come.

JOCO ARES Leaders are finalizing our response plan to the After Action Report created during the October SET.

This plan has specific tasks that are assigned to individuals for remediation, in order to ensure they don't occur in future drills or real life.

The plans will be reviewed at the Dec 11 MECC meeting at the NWS training center near KCI at 10am. All ARES members are welcome to attend.
