Feb 2010 ARES reports

ARRL KANSAS SECTION EMERGENCY COORDINATOR – Bob KØBXF

Feb. 1, 2010
from the desk of KØBXF ARRL SEC KS

Couple of recent changes, AJ5BS moved out of the District 4 area and into District 5 and has accepted the EC position for Zone 5A Sedgwick and Harvey counties. This leaves our zone 4J and 4K covered by Jeremy Utley KE0MD. Any one willing to give either of these new EC some help, please contact them ASAP.

Total nets called Dec 2009 = 108. total number of QNI = 685 and 50 pieces of traffic handled. 19 ARES Zones reporting. QCWA #110 reports 4 sessions 31 QNI. RACES duped by band condx.

The Kansas Slow Speed Net needs more to participate in getting your feet wet in the phase of traffic handling via CW

That's Morse Code in case some of you have forgotten. Contact Ron KB0DTI for more information

NB0Z our manager of QKS, the regular State CW Traffic Net still could use more reps throughout the state. 3547 daily at 7 and 10PM. Drop by, you just might find your notch.

NØKFC I am sure would not turn anyone against QNI the Ks Phone nets meeting on 3920 daily also. Would be nice if each ARRL affiliated club would send at least one rep each night to the net and those that are early risers Mon, Wed, and Fri try the morning schedule at 6:45AM.

Everyone keep alert to notification of the KS RACES net getting back into full swing. I am sure WD0DMV would like your ever now and then "touch base" effort.

Yep, back to basics does include becoming better knowledgeable of all network potential within the state and how to handle message traffic if requested.

See you all on the nets!!!!!!!!!!!!!!

best 73 to all

Bob Summers KØBXF ARRL Section Emergency Coordinator KANSAS

ARES EC for Riley, Clay, and Geary Counties and
RACES RO for Riley County
2. FOR THE MONTH OF: December, 2009
3. TOTAL RACES/ARES/WARN MEMBERS: Riley: 21
Geary: 2 (including its AEC)
Clay: 8 (including its AEC)

1 ARES "Contest" (12 participants for 4 hours)

Comments: Local Net is First Tuesday @ 8pm local time, 147.2700+ Repeater

Signature: Sid Ashen-Brenner Title: Zone 2D EC Call sign: NØOBM

The purpose of the "Contest" was to acquaint both the ARES members and the Central Kansas Amateur Radio Club members with the new Communications room (and equipment) in the Saline County Emergency Management Agency. We plan on doing "something" like this every month in order to get more members familiar with the equipment that they may be using in an emergency. As the weather warms up, we will be expanding beyond just the equipment in the Emcomm room – to include the Emcomm Trailer and it's prime mover (a converted ambulance)

Can you believe its almost time for the March Night Time Search & Rescue Drill again?

February's meeting will be held at the Johnson County EOC, and the topic will be Intro to Search & Rescue.

With any luck, the county will also be taking pictures so that each of our ARES members will receive a county issued ID.

Thanks to the hard work of KC4WCG, an updated MOU is in place with the county and with JOCO ECS. I look forward to a renewed strengthening of the involvement and cooperation of these two great groups!

Net Report :

Simplex net 5 sessions 31 members
CAARC Repeater net 3 sessions 18 members
QCWA Ch 211 net 3 sessions 15 members

No traffic.

Activity:

CERT Team was scheduled for a 3 hour training session. Instructor did not show. Rescheduled for Feb.
Will count 3 members for a total of 1 hour.

Lots of snow and bitter cold but no reports of Amateur Radio activity requested.

CAARC repeater has some issues but not able to access site due to weather. No bottom on dirt roads. Only 2 miles of dirt road but just don't want to take a chance in my truck. As long as its legal and working I'll leave it for better weather.
Backup UHF repeater working fine. No issues.

Forcast more bad weather starting 2-7.

Sorry I was not able to make the LaCygne hamfest had a family conflict.

73
Gary
