ARRL KANSAS SECTION EMERGENCY COORDINATOR Bob KØBXF

Feb 1, 2011
From the desk of KØBXF
SEC KS

One month of the rest of your life just passed us all.
Some have no doubt established a goal or so to complete in this next year of 2011.
I hope that some of you have pledged to offer support to the local Emergency
Communication phase of our hobby.

Contacting the amateur radio operator assigned to the position of Zone Emergency
Coordinator would be the first step to take. I am sure that each one of them would not turn down your
assistance no matter what.

Let us concentrate on Kansas District 5 as we look forward to activity in the new year.

ARES District 5 KANSAS

District 5 DEC is Robert Hanake, WG0Q. 3169 West Longview Road Sylvia KS 67581.
Tele 620-234-5471. His email address is rhanake@msn.com

Bob is also doing double duty at present, acting as DEC for ARES District 6.

District 5 is as follows:

Zone 5A Harvey and Sedgwick counties AJ5BS EC aj5bs@att.net

Zone 5B Butler county

Zone 5C Cowley county KD0BIA EC Txnks@msn.com

Zone 5D Harper and Sumner counties K0IFR EC jggerber@sctel.com.net

Zone 5E Pratt, Barber and Kingman counties K0UO EC K0uo@arrl.net
Zone 5F Reno county
Zone 5G Stafford county
Zone 5H Rice county
Zone 5I Barton ounty K0IFR EC ocandersonyahoo.net

Known active or simi active N0CAB, KC0CFL, WD0ESF, W0FCL, W0GAN, N0IEC, K10NN, N0JDW, KD0KMP, N0LD, K0LM, AC0MO, WB00SF, K0PY, KB0SYF, N0TGR, AB0TX, KB0UO, W0UY.

Right or wrong, is this all the activity???? Are there others???????????

I did not list the people above as to their county, you can do that and while you are at it, make up your mind, to at least, be the voice for ham radio in your county. Keep your SM and SEC informed as to ham radio activity within your county on a monthly basis.

Contact either WG0Q or the respective EC to see how you might lend a hand for your local ARES.

Let us not forget to keep all interested parties in the so called communication loop. Together We Can.

Activity for December 2010, 19 ARES Zones reporting 96 net sessions 865 QNI and 57QTC. Army MARS reporting 439 man hours on air operation with 224 messages originated. QCWA 4 sessions and 29 QNI. RACES balmed out do to band condx.

Let us hear from every active ham operator in Kansas thru out 2011.

best 73, **Bob Summers K0BXF**

Comments:

Not much is going on this early in the new year. I am starting to make contact with the organizers of several of the events that we support in the first half of the year. It will be interesting to see if all the notes and documentation that I collected from last year will reduce the amount of work I have to do this year.

Please send to your SEC or DEC as appropriate by 2nd of the month FSD-212 (1-04)

We supported a public service event early this month and are winding down for the end of the year. I am currently working on getting everyone to update their FSD-98's and document their credentialing by listing classes completed and group affiliations. It is a fairly slow process with volunteers...

Old Man winter is slowing everything down for us all, and the story is no different for JOCO ARES.

Due to snow, we postponed our January meeting business to February 21, where we will do a quick 2010 year in review, look ahead to 2011, Radio programming session, and preview for the March Nighttime SAR drill!

NEKSUN group is doing lots of work to get all the repeaters upgraded prior to the special events season which will be here before you know it.

Lots of good visibility coming up at Safety City...an open convention for all those in the KCMETRO to be prepared for when disaster strikes. Ham groups including JOCO ARES will be recruiting new hams and emergency service volunteers.
