## ARRL KANSAS SECTION EMERGENCY COORDINATOR Bob KØBXF

January 1, 2011

from the desk of KØBXF ARRL SEC KS

November 2010 ARES activity.

It has been quite sometime since receiving a monthly report from a number of Zone EC.

I know there is activity going on, ham radio wise but just no one doing the reporting. Our weakest Zones in reporting are 1C, 1E and 1F, 2E, 3F, 4B, 4H, 5B, 5C, 5D, 5E, 5F, 5G, 5H, 5I and Zone 6A, 6B, 6C and 6D. WOW, thats a fair large hole in ARES activity. I know we have reps from some of these Zones checking into the Kansas Weather Net and the Kansas Sideband net and the Kansas Phone net on weekends.

Are you residing in one of these Zones?? Is so how about exchanging a bit of info reference said activity. My mail address is always awaiting your report. [rsummbxf@aol.com](mailto:rsummbxf@aol.com)

Not sure of your ARES Zone, [rsummbxf@aol.com](mailto:rsummbxf@aol.com) can point you in the right direction. Let us put Kansas back at the top of ARRLs reporting activities especially for ARES activity.

If you have a recommendation for replacement of a Zone EC, then most definately I want to hear from you.

Activity for November, 17 zones reporting. 95 nets called with 699 QNI and 33 QTC.  
State RACES reporting poor conditions odds and ends reporting being there but not heard.  
KS Army MARS reporting 338 on air hours and 165 msg originated.  
KS SATERN reporting 5 state sessions 70 QNI

Kansas Chapter 110 QCWA 4 sessions and 0 QNI

Please send to your SEC or DEC as appropriate by 2<sup>nd</sup> of the month FSD-212 (1-04)

We supported a public service event early this month and are winding down for the end of the year. I am currently working on getting everyone to update their FSD-98's and document their credentialing by listing classes completed and group affiliations. It is a fairly slow process with volunteers...

Ready to settle in for a long winter's nap?

After all the drills, training, public service events, hamfests and the big Ensor Auction, JOCO ARES has had quite a year.

Now we turn our thoughts to remember all we accomplished, and at the November meeting, showing off our proudest Emcomm gadgetry.

No meeting in December means we will have time to play with our radios, work some good dx & contests, and think about our list for St. Nick. It also gives us time to look ahead to 2011, set some goals for our county and the state, and in while in front of our fireplaces or our amplifiers, dream of adventures to come.
