January 2012 ARES reports

Kansas ARES: <http://ksarrl.org/ares>

ARRL KANSAS SECTION EMERGENCY COORDINATOR Bob KØBXF

Orlan - just a note to let you know that Robert is in Providence Hospital as of last Thursday. He fell terribly hard flat on his face after hitting the dresser on the way down. He has a huge knot on his right side of the head, a cut by the eyebrow which they stitched up and big bruises all down his right side. He has concussion and head bleeding. Is incoherent most of the time just talking gibberish. They have done a ct scan, MRI and the brain wave thing. He moves so much during the tests they are hard to read. They are doing every test they can think of to try to find out if there is other health issues. He falls asleep while standing or walking. Kept forgetting to use the walker starting last week. Would fall three or four times a day. Sometimes I had to call firemen to come get him up. Was to see the Dr. on Friday but this happened on Thursday. Dr. says he will probably have to go to a Skilled Nursing facility.

There is nothing more to report after I got this one. Orlan

2011 was another fantastic year for ham radio in Johnson County, the KC Metro, and especially for JOCO ARES.

We continued our sustained membership growth, served in the Joplin disaster, conducted 11 in depth training sessions, and helped to staff more than 40 public service events.

I hope you will join me in making some ham radio New Years Resolutions. A couple mine are:

- 1) Get on the radio every day.
- 2) Work some DX every week.
- 3) Bring the total number of hams in the Kansas City Area past 5500
- 4) Lead at least 3 public service events.
- 5) Volunteer for at least 10 public service events.

Hope you will join me in making Ham radio great for you and the KC area in 2012

Brian L Short, PMP--KCØBS
