April 17, 2010

I was just making changes when Orlan sent out the April KAR. Please take note of the changes for the Kansas A.R.E.S. links and files.

Link from the Kansas ARRL web site: NEW ---

<http://www.arrl.org/Groups/view/kansas> ---

<http://ksarrl.org> --- Not sure of the limitations for each Section Manager, from the ARRL Section leaders. The "official" site extending Kansas ARRL page. Also home for KAR, Kansas Amateur Radio, back-issues published monthly by Orlan, WØYH

A.R.E.S. Kansas Section <http://ksarrl.org/ares> --- replaces [www.cenkares.org](http://www.cenkares.org) for Kansas A.R.E.S. information

The following links will change without notice, as updated by Bob, KØBXF

<http://ksarrl.org/ares/alphaks.html> -- Lists A.R.E.S. Emergency Coordinators in order by County

<http://ksarrl.org/ares/distks.html> -- Listing of A.R.E.S. Emergency Coordinators by Districts

<http://ksarrl.org/ares/prinit> - Scaleable, high-quality PDF for printing

Kansas A.R.E.S. Zone Alpha5 Harvey and Sedwick Counties <http://www.cenkares.org> -- this is becoming the site for this zone, the original intent. Some links will transfer, others disappear or are updated. If the present Emergency Coordinator does not wish to utilize this site or domain, it will go with no renewal. (presently May 6, 2010)

These sites have been recognized by the Kansas Section leadership. I appreciate their trust as they have sent me updates and I give my best effort to post in a timely manner. Along with the new ARRL web site [www.arrl.org](http://www.arrl.org), I hope you find new information about the service and the hobby of ham radio

- I need every ones help to correct and finally update the old Section records. please check <http://ksarrl.org/section>
