Active or semi active ham operators include WAØBKS, KØKQX, NØKUX, WØOM, WAØOQA, W5UB, WBØUQE, KBØZQO.

If you can add or delete from this list, please do so.

Have not checked on clubs and club stations active in Dist 6, perhaps someone would do the honors for me? What happened to the Dodge City club for instance, active???? others????

While we are on the subject of clubs, we forgot to mention last month that we need reps to tell us what is going on in all of

our District 5 clubs.

January 2011 activity:

14 ARES zones reporting 58 nets in operation, 297 QNI and 4 QTC.

Army Mars reporting 449 hrs of on air operation and 247 messages originated.

QCWA 5 net sessions and 51 QNI

SATERN Nets 4 QNI 64

Did you send an activity report to Ron, KB0DTI ? I am sure he would like to include your call among the others supporting our great hobby on a monthly basis. Other news of ham activity also should be sent to Orlan, W0OYH for print in the KAR publication. Make sure you are on Orlan's mailing list for KAR and its many special editions. Larry's list is another one to be a part of.

Comments:

Things are starting to pick up. Storm Spotter classes are starting and the first ARES events of the year are just a month and a half away. I have made contact with the organizers of several of the events that we support in the first half of the year. It will be interesting to see if all the notes and documentation that I collected from last year will reduce the amount of work I have to do this year.

Please send to your SEC or DEC as appropriate by 2nd of the month FSD-212 (1-04)

We supported a public service event early this month and are winding down for the end of the year. I am currently working on getting everyone to update their FSD-98's and document their credentialling by listing classes completed and group affiliations. It is a fairly slow process with volunteers...

WHOOOPS! MIS-UNDERSTANDING! I'm still in WARN!  
What I was trying to say is that the 15 "INcludes me"!

Only two changes from January:

- \* My Clay County AEC reported that he is deploying to Iraq and plans to move to Oregon when he returns. He also said that the Clay Center HAM club is essentially DEAD.
- \* WARN membership has declined from 17 to 15, and that INcludes me! (What we need is a tornado, but don't tell anyone I said that!-)
- \* MAARS (Manhattan Area Amateur Radio Society) has once again been asked to help with an April bikeride from Wamego eastward and northward.

Kansas can't decide if its winter or summer! Either way, JOCO ARES managed to get our February meeting under our belt, including the year in review, preview to 2011, Search & Rescue primer for our March Night time drill and our Awards ceremony!

Congratulations to Bill Gery, KA2FNK on being named as recipient of the June Jeffers Legacy award. This award is given to the JOCO ARES member who most emulates the energy & contribution that June displayed when revitalizing ARES and SATERN in Johnson County more than 10 years ago!

Be sure to join us for the March Night time Drill, where volunteers will trudge into the wilderness of the Prairie Center Wildlife reserve to deploy search teams & communicate results back to the incident command post. We expect to have some officials from OPPD this year who will observe our capabilities to understand how we can help them during amber alerts and other missing persons cases.

NIMS and ICS Training

<[http://www.nimstraining.com/download\\_center/index.htm](http://www.nimstraining.com/download_center/index.htm)>  
[http://www.nimstraining.com/download\\_center/index.htm#documents](http://www.nimstraining.com/download_center/index.htm#documents) all you need to know and more on NIMS

ICS 700 this is the basic overview of the program-  
<<http://www.training.fema.gov/emiweb/is/is700.asp> >  
<http://www.training.fema.gov/emiweb/is/is700.asp> about 45 minutes to an hour to take

ICS 100 this course leads into a little more of the nuts and bolts of the Management and control of the program-

<<http://www.training.fema.gov/emiweb/is/is100.asp> 1>

<http://www.training.fema.gov/emiweb/is/is100.asp> 1 to 2 hours to take

ICS 200 this course is a little more elevated in the procedures and how the system works to branch management teams, this gets into the ICS forms and such.

<<http://www.training.fema.gov/emiweb/is/is200.asp> 1>

<http://www.training.fema.gov/emiweb/is/is200.asp> 1 to 2 hours to take
