Chp 110 QCWA reporting 4 net sessions and 41 QNI.

For your reference, enclosed find last of the ARES District info. Every one should now have a complete roster of DEC and EC for the State. Check and see files from past months and together with this one, see if you are in contact with the DEC and EC of your county quite often. Does HE/She have your assistance. Are you capable of filling any of the open slots, or suggesting replacements for those that are rather inactive? Even temporary assignment sometimes gives an area the start it needs to success.
