November 2010 ARES reports

Kansas ARES: <http://ksarrl.org/ares>

ARRL KANSAS SECTION EMERGENCY COORDINATOR Bob KØBXF

Nov 01, 2010
From the desk of KØBXF
ARRL SEC KS

September ARES activity totals reported 15 Zones 100 net sessions 616 ONI and 31 QTC.

SATERN reports 4 net sessions and 63 QNI for their Kansas activity.

Kansas Army MARS reported 417 man hours of operation and 167 messages originated.

RACES for KANSAS: 2 net sessions 22 QNI and the following Counties represented: Linn, Wyandotte, Mitchell, Riley, Dickinson, Finney, Miami, Barber, Shawnee, McPherson, Johnson, Leavenworth, Phillips, Neosho and Montgomery.

Remember 2 sessions each month now, help WD0DMV recruit reps from more counties to QNI.

Winter weather is nearing, you know how Kansas gets when it gets cold and wet. Watch/listen more often for your fellow Hams out there on the roadways, lend a hand if needed, then report the activity to your EC/DEC/SEC/SM and of course to W00YH and the KAR publication.

A number of requests for various things has been announced this past year with little or no response. Review if possible and play catch-up a bit, Please.

best 73, **Bob Summers KØBXF**

Please send to your SEC or DEC as appropriate by 2nd of the month FSD-212 (1-04)

We supported a public service event early this month and are winding down for the end of the year. I am currently working on getting everyone to update their FSD-98's and document their credentialling by listing classes completed and group affiliations. It is a fairly slow process with volunteers...

Road Ride A Success

Dear Editor

There were 173 entrants registered for the 6th Annual Yellow Brick Road Ride that was held Oct. 2.

Cyclists came from California, Colorado, Iowa, Missouri, Nebraska, New York, North Carolina, and Kansas. Everyone had a good time and enjoyed the scenery, appreciated the friendly volunteers and the great support from the local police and Manhattan Area Amateur Radio Society.

Each year's event is successful due to all the great volunteers and Sponsors. Hy-Vee catered a healthy breakfast and everyone enjoyed Cal-C provided by Nutri-Joy and apples provided by East-side Market. Homemade cookies and snacks for the rest stops were provided by Joyce Mermis, Gladys Thorsell, Patty Reinert, Daina Hodges, Linda Burton, Tommie Karnowski, Dixie Hoover, Cathy Bitikofer, Joye Back-Smith, Tracy Weaver and Diane Novak.

Registration volunteers were Julie Roller, Joyce Mermis, Gladys Thorsell, Vici Jennings and Patty Reinert. Melanie Apel from Big Poppis took pictures of the event with net proceeds from CD sales benefiting the WamSagMan Trail.

The Pathfinder assisted bicyclists with minor bicycle fixes before the event started & Big Poppis provided a wrench station on the 64 mile route. Chuck and Barb

DePew ran the Saint George rest stop on the 15 and 27 mile route. Tricia Armstrong, Doug and Brennen Walter, and Carol Barta and The Pathfinder ran the rest stops on the 64 mile route.

The routes were well marked thanks to the Wamego City Hospital staff and KSU Air Force ROTC cadets. Wamego High School KAYS and the KSU Air Force ROTC cadets helped with event cleanup. Sports massages provided by the Academy of Massage Therapy helped work out some of the tight muscles when the cyclists finished.

Sierra Club and People's Grocery had information booths at this year's event.

Safety is promoted at the bicycling events. Eight people won \$15 RoadID (www.roadid.com) certificates. Three people won a SpokeLit or a SpotLit from Niteize (www.niteize.com). Phyllis Whiteside was awarded a Niteize product since she participated in all six of the Yellow Brick Road Ride events.

After finishing the bike ride the participants enjoyed OZtoberFest and other local events.

Net proceeds from the event were deposited in the 501c3 WamSagMan Trail Fund in the Wamego Community Foundation.

Diane Novak
WamSagMan Trail Advocate
Coordinator Yellow
Brick Road Ride

NTS liaison is maintained with the KANSAS SIDEBAND NET (NYOT)

Number of drills, tests and training sessions this month: 1 SET EXERCISE Person hours 24

Number of public service events this month: 1

Number of emergency operations this month:

Total number of ARES operations this month: 8

Total Person hours 24

Comments: 5-- 2M nets were held this month with 41 checkins and 26 of the checkins using auxiliary power.

2—10m net on 28.330mhz with 10 checkins.

The SET exercise was held on OCT.10. Sixty-three bicyclist rode the 32mile Falun Classic With six ARES operators providing communication support at three rest stops, a relay station and one finish point station. Helpful information was relayed to assist ride organizers. The event was a good test of our ability to use a simplex freq. vs repeater useage.

Ready to settle in for a long winter's nap?

After all the drills, training, public service events, hamfests and the big Ensor Auction, JOCO ARES has had quite a year.

Now we turn our thoughts to remember all we accomplished, and at the November meeting, showing off our proudest Emcomm gadgetry.

No meeting in December means we will have time to play with our radios, work some good dx & contests, and think about our list for St. Nick. It also gives us time to look ahead to 2011, set some goals for our county and the state, and in while in front of our fireplaces or our amplifiers, dream of adventures to come.

NIMS and ICS Training

<http://www.nimstraining.com/download_center/index.htm>
http://www.nimstraining.com/download_center/index.htm#documents all you need to know and more on NIMS

ICS 700 this is the basic overview of the program-
<<http://www.training.fema.gov/emiweb/is/is700.asp> >
<http://www.training.fema.gov/emiweb/is/is700.asp> about 45 minutes to an hour to take

ICS 100 this course leads into a little more of the nuts and bolts of the Management and control of the program-
<<http://www.training.fema.gov/emiweb/is/is100.asp> 1>
<http://www.training.fema.gov/emiweb/is/is100.asp> 1 to 2 hours to take

ICS 200 this course is a little more elevated in the procedures and how the system works to branch management teams, this gets into the ICS forms and such.

<<http://www.training.fema.gov/emiweb/is/is200.asp> 1>
<http://www.training.fema.gov/emiweb/is/is200.asp> 1 to 2 hours to take

73s,

Kansas Zone 6E ARES Net Report OCTOBER 2010

(Late reporting)

Total nets.....12

Total QNI.....87

Traffic...Net reports.....4

Stations participating.....WØOAG, NØOMC, KCØAMF, NØKQX, NØOXQ, WBØQYA,
KDØDWM, ACØE, KDØCYE,

NØYK, KDØEZS, WA3EOL, KUØX, WAØOQA, KØEQH

We held our SET exercise, Oct 26th, using a total of 5 different nets, ARES Zones 6E, 6F and 6G combining resources, using both HF, VHF and Packet communications. Stations used battery and standby power generators. Was a pretty good turn out.

SET report to be filed later.

NOTE:

There will be a VE testing session, November 23 at 7PM, at the 'Dodge House'

Motel/Conv Center in Dodge City. This will be in conjunction with the North American Falconer Association convention. If anyone is interesting in testing for new or upgrade license, please contact ACØE or N1WT.

Rod KØEQH
