## Kansas Amateur Radio

### FEMA Special

Subject: looking for an instructor to teach FEMA G250.6 "Amateur Radio" course

Classification: UNCLASSIFIED

Caveats: FOUO

Hi Kansas EM's,

I am looking for a person with Amateur radio experience and interest in teaching FEMA's G250.6 class on "Amateur Radio" and RACES information at Fort Scott or other locations in Kansas. Stipend money is available for the instructor. Please, forward this training opportunity to any person you know who might be interested or email their contact information to me.

Thank you for your help.

Mark Stadel
